OUR STORY SO FAR

TAMIYA NIKA IS A SWITCH GIRL LIVING A PEACEFUL, HIGH SCHOOL LIFE WHILE ALTERNATING BETWEEN HER ON AND OFF MODES. NINO, MASAMUNE, MEIKA AND ARATA (HER BOYFRIEND) ARE THE ONLY ONES WHO KNOW ABOUT HER HIDDEN PERSONALITY. AFTER THE TRIP TO OSAKA, MONKEY BOSS AND SOMEYA EXPRESSED THEIR FEELINGS FOR ONE ANOTHER, BUT THEY AGREED TO WAIT UNTIL SHE GRADUATES. MEANWHILE, FOUR-EYES LOST THE MONEY HE SAVED TO PAY FOR HIS SUMMER CLASS. EVERYONE GOT A PART-TIME JOB TO HELP HIM EARN IT BACK. ARATA AND NIKA ARE MAKING FULL USE OF THEIR OFF MODE TO REMAIN INCOGNITO WHILE WORKING AT A FAST-FOOD RESTAURANT, SO THEIR SCHOOL WON'T FIND OUT. HOWEVER, ON THEIR FIRST DAY, THEY CLASHED WITH THEIR MANAGER, NITO, WHO HAS A PASSION FOR BULLYING NEWBIES INTO QUITTING. BUT, NIKA AND ARATA AREN'T GOING TO LET THEMSELVES BE PUSHED AROUND! NINO IS WORKING AT A BOOKSTORE AND IS REUNITED WITH KENICHIRO, HER TUTOR FROM MIDDLE SCHOOL. HER RELATIONSHIP WITH MASAMUNE HAS BEEN DECLINING, EVEN THOUGH HE THOUGHT THEY WERE FINALLY GETTING CLOSE.

LATELY, I'VE STARTED GOING TO KARAOKE ALONE! IT'S ACTUALLY A LOT OF FUN! AND EVEN THOUGH I DON'T KNOW THE LATEST HITS, I CAN PICK WHATEVER WITHOUT FEELING AWKWARD, SINCE I'M ALONE! IT'S GREAT!!! ONE TIME, I WENT DURING HAPPY HOUR, AND I SANG FOR EIGHT HOURS STRAIGHT WITHOUT REALIZING HOW MUCH TIME HAD PASSED. AT ONE POINT, I GOT HUNGRY, BUT I COULDN'T ORDER ANY FOOD. THAT WAS A BIT HARD. BUT, THINK ABOUT IT! THERE'S NO WAY I COULD LET THE WAITER WALK-IN ON ME DURING A SONG!!!

AUTHOR'S NOTE

Hello! How's everyone doing? We've already reached volume 15 of Switch Girl!! Time sure flies. Thanks to everyone who's been following the series since the beginning. I hope you'll keep supporting me. What's been going on with me lately? Well, my taste in clothes started changing two years ago to a point where it became totally different now. I used to wear girly, short dresses like the ones Nika owns, but my priority now is to be comfortable! My taste in colors changed as well. Before, I liked black and pink, for example, but now, it's mostly beige, brown or caramel shades. Well, it's what happens when you get older, I guess.

QUESTION FROM A READER

Have you picked up any new hobbies lately?

(Rin, Saitama prefecture)

Yes, one! The Prince of Tennis musical. Or, as I like to call it, Teni-mu! I completely fell under its spell, and, even to this year, I'm still hooked on it (laugh). Since I love both hot guys and manga ❤, this musical was made for me. It has beautiful actors playing characters from my beloved series with such liveliness! I'm sure you too dreamed of seeing your favorite characters materialize in real life at some point while knowing all too well it was impossible. Well, here is a kind of entertainment that can make this dream a reality! It's been years since I've been so passionate about something. It's incredible!

I recommend it.

AIDA-SENSEI!

In regards to the pre-bath routine, I received this letter from a housewife in her forties. I'm usually the one giving lessons, but I was the one being taught something this time!

QUESTION

For my pre-bath routine, I sometimes measure the hairs that have come off. One time, I found one that was just under six inches long. Do you think that's a lot?

S...Six inches?!

Do I think that's long?! Since I'm curious by nature, I already measured mine, but I never went past half that size. So, I would say it's very long?! Once again, I'm confronted by the vastness of this world and what we can find in it. I could try asking other people about theirs, but how would I even ask?! "Hey, how long is your hair down there?"

I could never do that!

IF THE SWITCH GIRL CHARACTERS JOINED A CLUB...

After the job series, I received a letter on this topic, so I thought about it for a while. Which clubs would they have joined in middle school?!

Nika ..... Either volleyball or basketball? She'd be perfect for those trendy sports clubs for girls.

Arata ..... Track and field or kendo, I guess. A sports club but a less popular one (something small would fit him well). Of course, he'd be their best player.

Masamune ..... Basketball or soccer. But, he wouldn't really take practice seriously (laugh). We'd probably find him chatting with Kuruma behind the gym.

Nino ..... In the series, she's part of the literature club, but I think she'd be a good fit for the calligraphy club. The music club as well! (laugh)

Four-Eyes..... The science club (computer science division)!!! I can't see him anywhere else!

Meika ..... Back in middle school, not only was she still trying to find herself, but she was in an all-girls school as well. I'd say she was in the tea ceremony club (on her parents' advice).

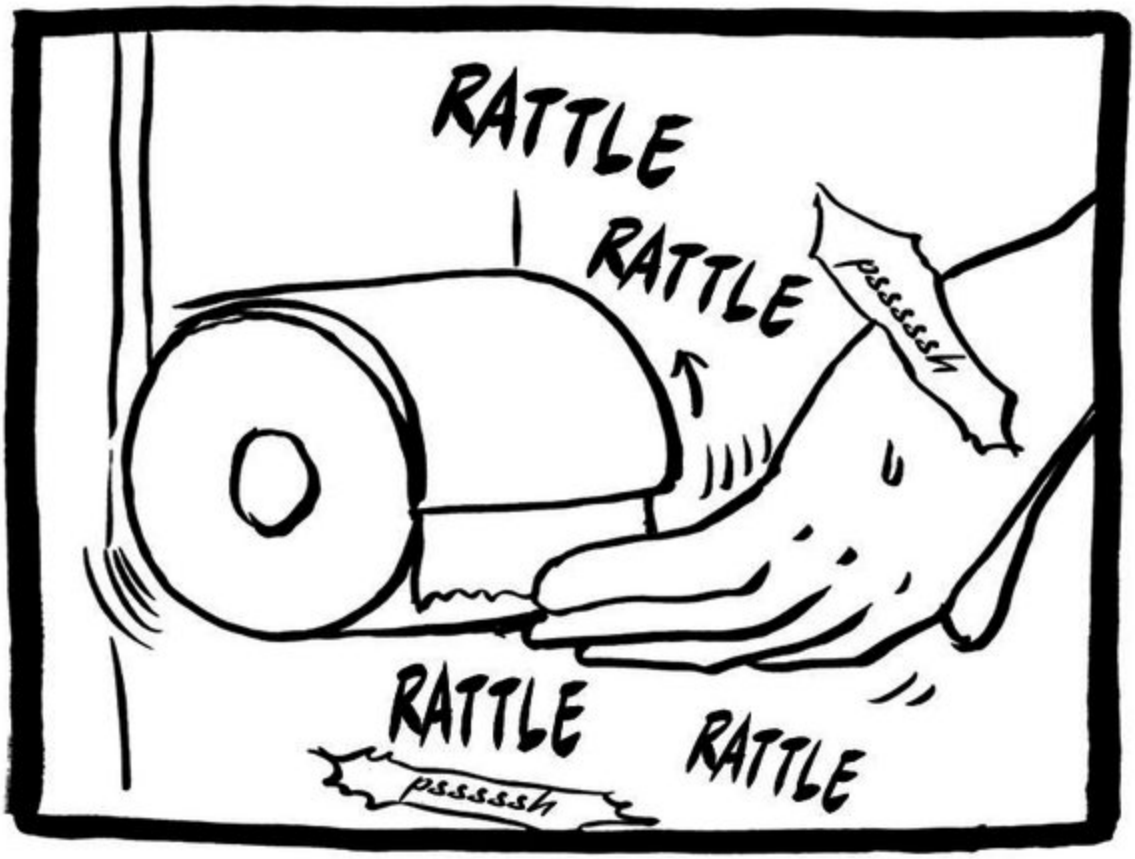
But as soon as I get some free time, I try to answer them even if it's just a little bit. I still can't answer more than 10% of them. I'm doing my best, but it's really the most I can do... "WHAT ABOUT YOU? DO YOU DO THAT?" SERIES

When the otohime doesn't work, I hide my pee noises by using the toilet paper dispenser.



I could just flush at the same time, but that would be wasting water. So, I just make noises with the toilet paper dispenser. I spin it in the opposite direction so toilet paper doesn't go everywhere when I'm doing my thing.

T/N : Otohime (sound princess) is a machine that makes flushing noises when someone is on the toilet.

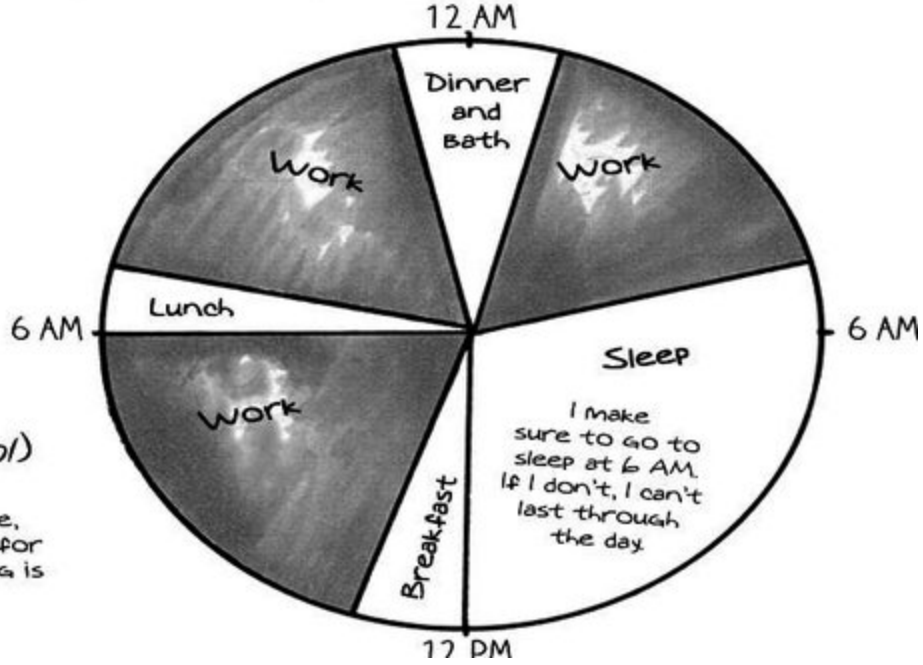
QUESTIONS FROM THE READERS

What is your daily schedule like, Sensei?
(Ayano-chan, Fukuoka Prefecture)

My lifestyle fits perfectly with the image of a manga artist. First off, I wake up around noon and drag myself out of bed. Then I have my breakfast (for the common public, that would be "lunch"). I start working around 1 PM. While sneaking in breaks, I work until 6:00 PM. When it gets dark, I get hungry again and take another break. I eat my lunch (for the common public, "dinner"). Then after around 7:00 PM, I start working again. Usually, I take a bath sometime between midnight and 2 AM. While sneaking in more breaks, I work until daybreak, at 5:00 AM (I have my dinner either before or after my bath).
I lose my concentration after an hour and a half of working, so I take little breaks of five to ten minutes in between. When I do that about three times, I take a longer break. It feels like it goes on forever...



This sounds so stressful, doesn't it? (lol)

※ Before my deadline, the time allotted for eating and sleeping is reduced by 20%.

INFIRMARY AUNTIE

Getting permanent hair removal has recently gotten cheaper. The author is also quite interested in this. So, let's learn a little bit about the fundamentals of hair removal.

QUESTION

Have you ever been to a hair removal clinic? How do they go about doing your butt there? I can never say "butt hair" at the reception desk! What should I do?
(Anju, from Shizuoka Prefecture)

It's all right, even if you don't say **"Please remove my butt hair!"** (lol). In the hair removal industry, they call the hair around the anus area **"O-line."** I'm sure you understand that the "O", of course, comes from the *shape of the hair around your butthole. So, Anju-chan, you can say "I'd like to have my O-line removed." at the reception desk! The world has become so very practical! I talk like I know all about it, but I've actually never been to such a

* The hair distributed in an "O" shape

The author of "Switch Girl" herself drew this.

By the way, the bikini line is a 「V」 the intimate parts are an 「I」 and the anus zone is an 「O」 Each part is thus named.
